The Institute for Canadian Citizenship is a national, non-profit organization that engages Canadians in citizenship through innovative programs, campaigns and partnerships designed to ensure new citizens are welcomed and included as equals, to create meaningful connections among all Canadian citizens, to foster a culture of active, engaged citizens and to celebrate what it means to be Canadian. Our Building Citizenship program brings together new and established Canadians at community citizenship ceremonies; our Cultural Access Pass (CAP), generously supported by the Canadian Museums Association and the RBC Foundation, offers new citizens the chance to visit nearly 1,000 attractions across Canada for free for a full year from the time they're sworn in; and our annual LaFontaine-Baldwin Symposium fosters a debate on the future of Canada's civic culture. The ICC was founded and is co-chaired by the Right Honourable Adrienne Clarkson and John Ralston Saul. The ICC is supported by Citizenship and Immigration Canada (CIC).
